Library Best Practices

- **University News (Theses of the Month Clipping File)**

Objective: To inform about upcoming ideas in research.

The NAAC Peer Team visited the Library. We explained the various services and facilities provided by the library, we also explained the facility of the University News clipping File useful for the research students, faculty members, supervisors and all the stakeholders who do the research. In this file we have cut the portion of thesis of the month of the volume and we keep the file updated. In that file we have the list of doctoral theses accepted by Indian Universities, and the notifications received in All Indian Universities (AIU) during that particular month. It is very useful for the research students to select the topic for their research, and also useful for the faculty members. It is also useful to write a literature review chapter in theses. If the researcher has a particular theses in the list, then we refer them to Indian electronic theses & Dissertations repository Shodhaganga (a reservoir of Indian theses).

http://Shodhganga.inflibnet.ac.in

• Dhanwate National College Library Blog

Objective: To provide a common platform for students and one destination for availing all the information related to college library.

www.dhanwatenationalcollegelibrary.blogspot.com

e-Book, e-Journals, e-Syllabus, Question papers, Newspapers clipping , Library rules and regulations are provided by the library on this platform.

Library is a heart of any Institution but in pandemic period libraries have shut down physically for students. Gradually, technology is also boosting in library services. It is in form of mobile technology, web technology and many more. So we provided different services such as, searching for books through OPAC in the form of WEBOPAC and MOPAC.

• Organised Book Exhibition

Objective: To encourage and inculcate reading habit among students. To upgrade and maintain quality of books available in the library.

Every year we organise book exhibition on the eve of Dr. Bhausaheb Panjabrao DeshmukhJayanti. In this book exhibition all the students and faculty members recommend

their choices of books subject-wise to the librarian. It provides one platform to all the students and college teachers to select and recommend essential books. This is a extension activity of library.

•Organised Book Talk /Book Review Competition

Objective: To inculcate reading habit, develop communication skill and public speaking skills among students.

On the occasion of Dr. APJ Abdul KalamJayanti, 15 Oct, we celebrate "WachanPrerana Divas". On that day we conduct a 'Book talk' competition and 'Book review' competition. Many students take interest and participate in this competition every year. In this pandemic period, students were asked to create videos of themselves and send it to the librarian. Top three students were awarded cash prize.

•Library awareness Programme

Objective: To inform students about library facilities and services and establish a relation with them for future activities.

Every year we conduct a library awareness program for fresher students i.e. BA, B.COM, BBA, BCA, M.COM, MA students. Respective faculty members are also present there. We have different facilities and services such as, Cost Deposit Scheme, Book Bank Scheme and many more.

•Best User award for student/Best User award for Teacher

Objective: To encourage students and teachers to make optimum use of Library.

To motivate the students and staff members for maximum use of resources of the library.

•In Pandemic Period.

In pandemic period, we organised a 7-day National Webinar on Open Educational Resources (OERs), 750 people attended and they were issued the certificate for the same. We also conducted two Quiz competitions on OERs and Awareness of Covid-19, around 256 people took the quiz and also received the certificate. On 19th June 2021 we organised a webinar on the occasion of Reading Day and renowned speaker Mr.AmrutDeshmukh, Booklet Guy talked on the topic of "Mission Make India Read " , the programme was liked by many students and a very positive response was received from the students.
