1 Dr. Swarnalata Warke	15 Feb 2012

III. AIMS AND OBJECTIVES OF THE COURSE

The principal aims and objectives of the B.A. & M.A. Economics programme: -

- To provide students a well-founded education in economics.
- To provide and adapt curricula that prepare our graduates & post graduate for employment.
- To provide the students with the opportunity to pursue courses that emphasise quantitative and theoretical aspects of Economics.
- To provide students with the opportunity to focus on applied and policy issues in Economics.

IV. ADVANTAGES OF THE COURSE

- Students develop critical thinking skills which helps them to be creative in the economic field.
- Students become observant and give constructive criticism about national policies and government decisions that affect the national economy.
- Students get the opportunity to pursue courses that emphasise quantitative and theoretical aspects of economics.
- Our graduates are provided with a wide range of employment opportunities in both government and private sectors.
