Activity Report	
Academic Year	2023-24
Name of the Activity	Poster Competition on Geographical Indications of India on the Eve of World IPR Day in collaboration with Department of Biotechnology, Science College, Nagpur.
Date of the Activity	26 th April' 2024
Organized by	Dr. Rajesh Timane, HoD, MBA Department & Dr. Priyanka Wandhe, Faculty, MBA Department.
Objective	To raise awareness about the importance of intellectual property rights and highlight India's unique regional products. It aims to encourage students to explore and creatively present the significance of geographical indications in protecting and promoting traditional products.
Brief Report	The Poster Competition on Geographical Indications of India, held on the eve of World IPR Day, was a successful event that highlighted the significance of intellectual property rights in protecting unique regional products. Students showcased their creativity by designing informative and visually appealing posters that illustrated various geographical indications across India. The competition promoted awareness about the value of preserving traditional products and emphasized the role of IPR in supporting local artisans and industries. The event was well-received, fostering a deeper understanding of intellectual property issues among participants. Total number of participants were 76.
Outcome	The Poster Competition on Geographical Indications of India effectively enhanced students' understanding of intellectual property rights and regional heritage. It sparked engaging discussions and showcased innovative student perspectives on protecting and promoting traditional products.
